

St Edmund's Catholic Primary School

Overview of the Primary Curriculum

This document presents an outline of the content of the new National Curriculum from 2014

We have presented all subjects in a year-by-year format, based on the outlines given in the National Curriculum.

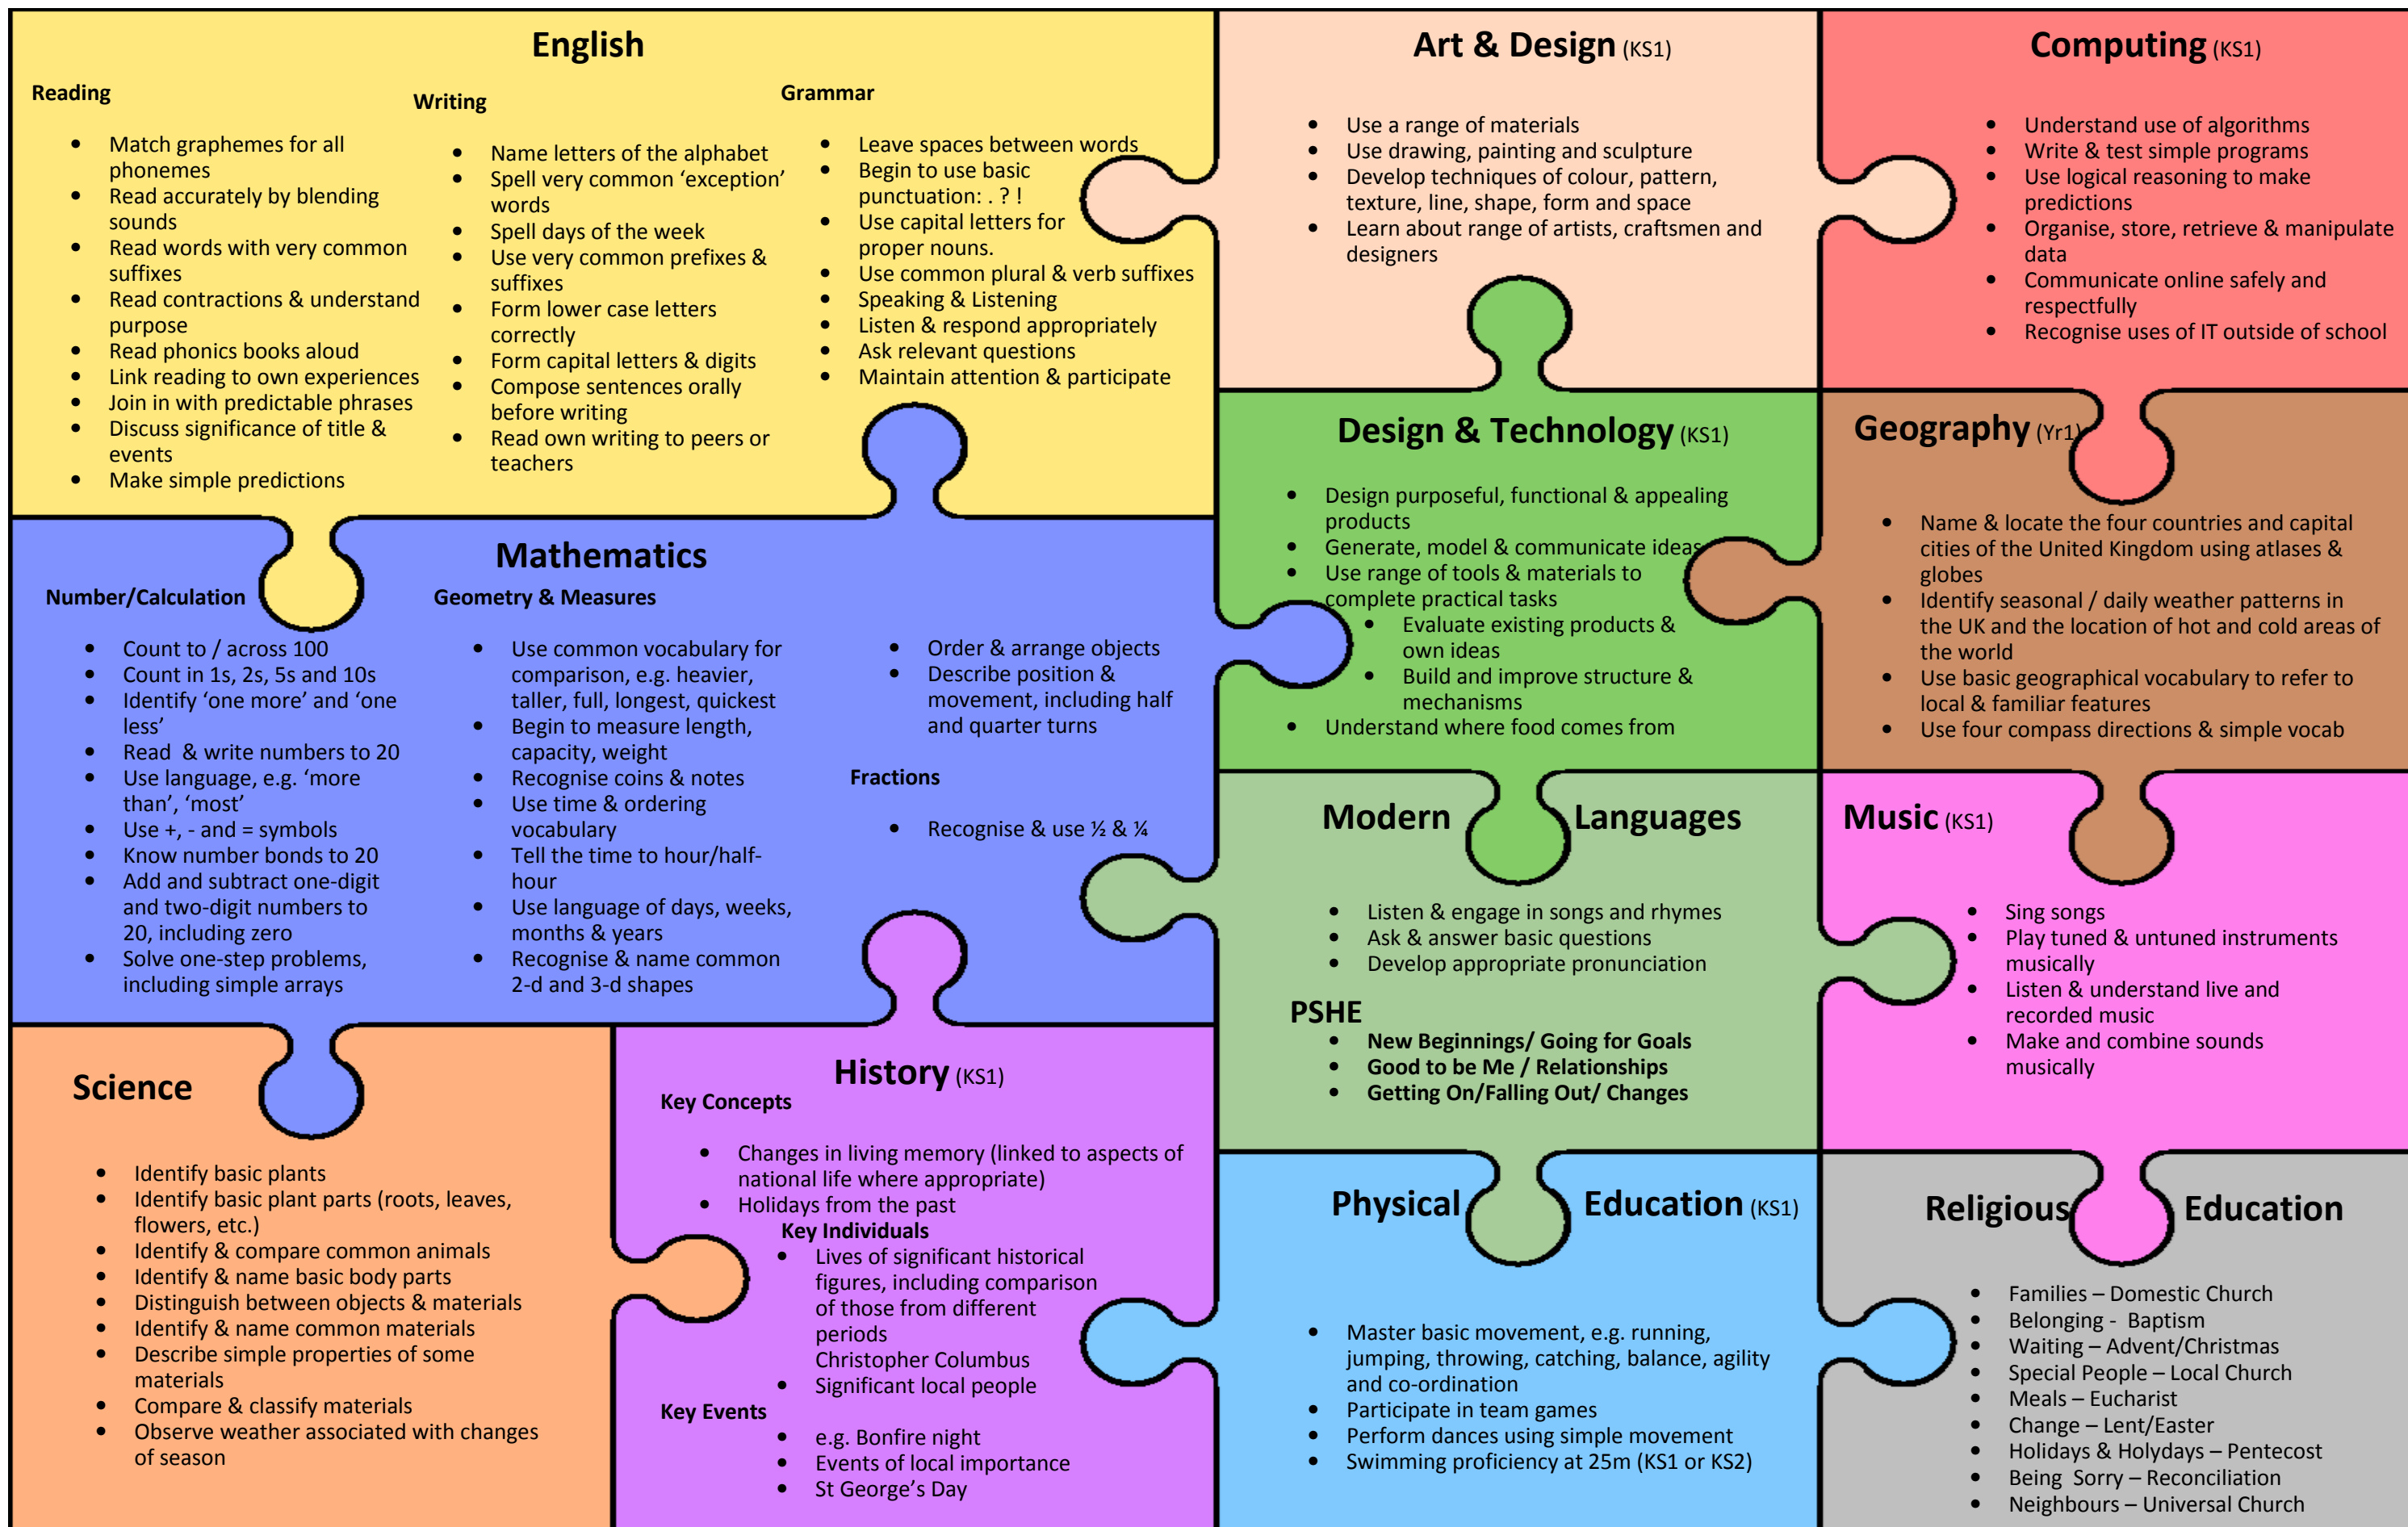

We have also included the topics from the RE Scheme of Work 'Come and See', the PSHE themes from the SEALs programme and the areas of study that we teach in French.

The teachers have then taken the curriculum and mapped the content over the academic year so you can see what is being taught in each term.

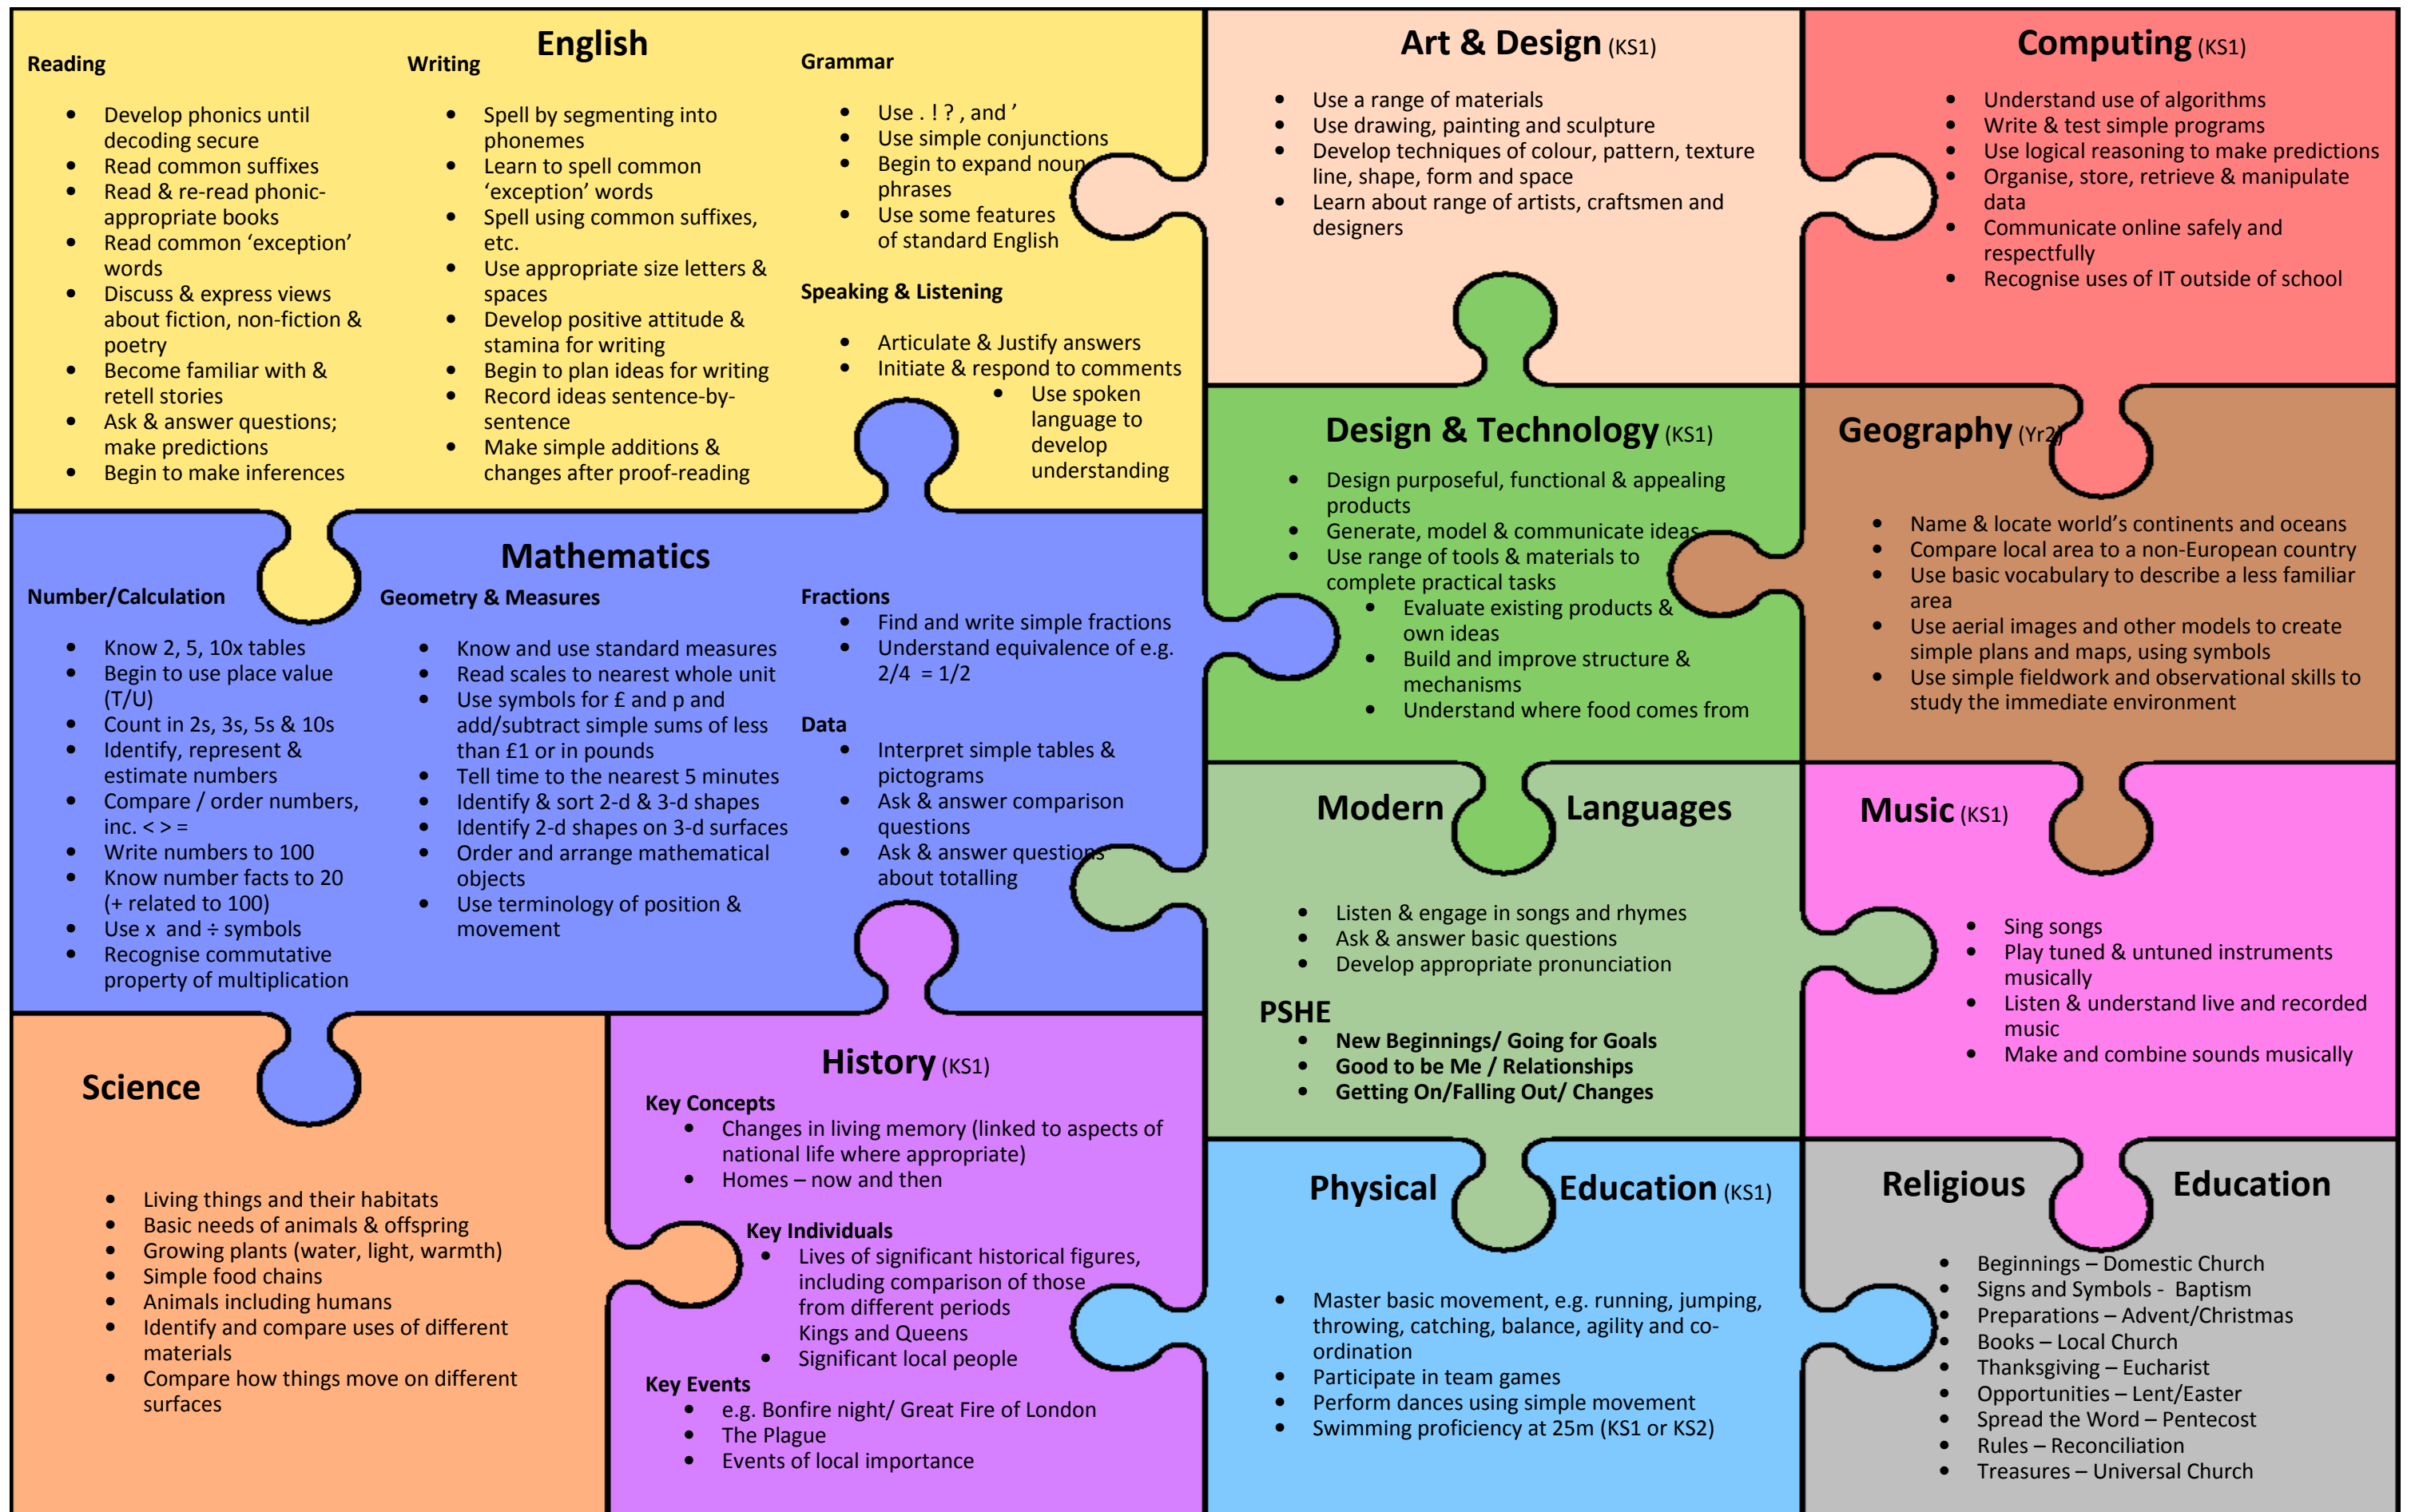

The Reception and Nursery follow the Early Learning Goals and this is presented in a separate document.
