

Music

Sing songs: hymn practice
Theme: Treasure Island

Listening to a range of song. Listening to the musical structure – pitch, duration, temp and texture. Performing to an audience.

French

French speaking countries
Clothing

RE (see RE newsletter)

Themes: New life, Buddhism (other faiths), Building Bridges, God's People.

Science

Sound (continued)

Identifying that sounds are made through vibrations through a medium to the ear. Looking at pitch and volume.

Living things and their Habitats

Explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment
Recognise that environments can change and that this can sometimes pose dangers and have an impact on living things

Animals including humans

Describe the simple functions of the basic parts of the digestive system in humans.
Identify the different types of teeth in humans and their simple functions.
Construct and interpret a variety of food chains, identifying producers, predators and prey.

History Local History – Hampton Court Palace

Geography: Comparing a region in the UK with a region in north America.

International Links - USA Pen Pal Project

Year 4 Curriculum Map Summer Term

Maths

Decimals (continued)

Counting in tenths and hundredths.
Dividing by ten and one hundred into decimals.
Comparing and ordering decimals.
Rounding decimals to the nearest whole number.

Money

Estimate, compare and calculate different measures, including money in pounds and pence

Time

Read, write and convert time between analogue and digital 12- and 24-hour clocks.

Solve problems involving converting from hours to minutes; minutes to seconds; years to months; weeks to days.

Statistics

Interpret and present discrete and continuous data using appropriate graphical methods, including bar charts and time graphs. Solve comparison, sum and difference problems using information presented in bar charts, pictograms, tables and other graphs.

Geometry

Compare and classify geometric shapes, including quadrilaterals and triangles, based on their properties and sizes. Identify lines of symmetry in 2D shapes presented in different orientations. Identify acute and obtuse angles and compare and order angles up to two right angles by size. Identify lines of symmetry in 2D shapes presented in different orientations. Complete a simple symmetric figure with respect to a specific line of symmetry.

Describe positions on a 2D grid as coordinates in the first quadrant. Describe movements between positions as translations of a given unit to the left/right and up/down. Plot specified points and draw sides to complete a given polygon.

PE

Swimming
Games

Art/DT

Art – Sculpture
D&T – Designing and evaluating a Tudor house.

Computing

Computational thinking
Data Handling

RSE /PSHE

We don't have to be the same
Respecting our bodies
Our changing bodies
What is puberty?
Drugs, alcohol and tobacco

English

TEXTs for spring term:

The Iron Man

Varjak Paw

Range of genres: narratives, persuasive letters, newspapers

Reading focus comprehension

RWI Spellings

Grammar: using conjunctions, adverbs, prepositions to express time and cause, fronted adverbials, and subordinate clauses

Punctuation; Using and punctuating direct speech, apostrophes for possession and contractions, different uses for commas

Organising work using paragraphs
