

Year 2
Standard Assessment
Tests (SATs)

Together we learn and
grow through worship
and celebration

What are SATs?

- At the end of Key Stage 1 all children are required to be tested in different areas of Maths and English
- Throughout the year teachers are preparing children for these tests
- They inform teacher assessments that are submitted to the government at the end of the year
- The tests are just one part of a range of assessments which are carried out throughout your child's time in KSI

When and how do the SATs take place?

- We are required to administer SATs throughout May
- If children are absent, they will do the test on their return
- We aim to make them as stress free as possible!
They will take place in your child's classroom with their teacher organising the test or task

The Tests

- At the end of Year 2, children will complete assessments in:

Statutory

- Reading
- Maths

Non statutory

English grammar, punctuation and spelling

There is no test for English Writing

Reading

The Reading Test consists of two separate papers:

Paper 1 - Contains a variety of texts with questions

Paper 2 - Contains a separate reading booklet - children will write their answers to questions about the passage in a separate booklet

- Children are given time to complete as much of the paper as possible
- The texts will cover a range of poetry, fiction and nonfiction
- Questions are designed to assess what your child understands when reading

Reading

Monster and Frog at Sea

One hot sunny day Monster and Frog went to the seaside.

Monster lay on the sand, sunbathing. But Frog was bored and restless.

"If we had a boat," said Frog, "we could sail away to sea and have an adventure. We could be explorers!"

Frog was always looking for adventure. Monster wasn't.

Practice questions

c What kind of day was it?

Tick **one**.

cloudy

sunny

cold

wet

d What was Monster doing?

I really don't like washing my face _____ I have to do it.

Tick **one**.

or

and

but

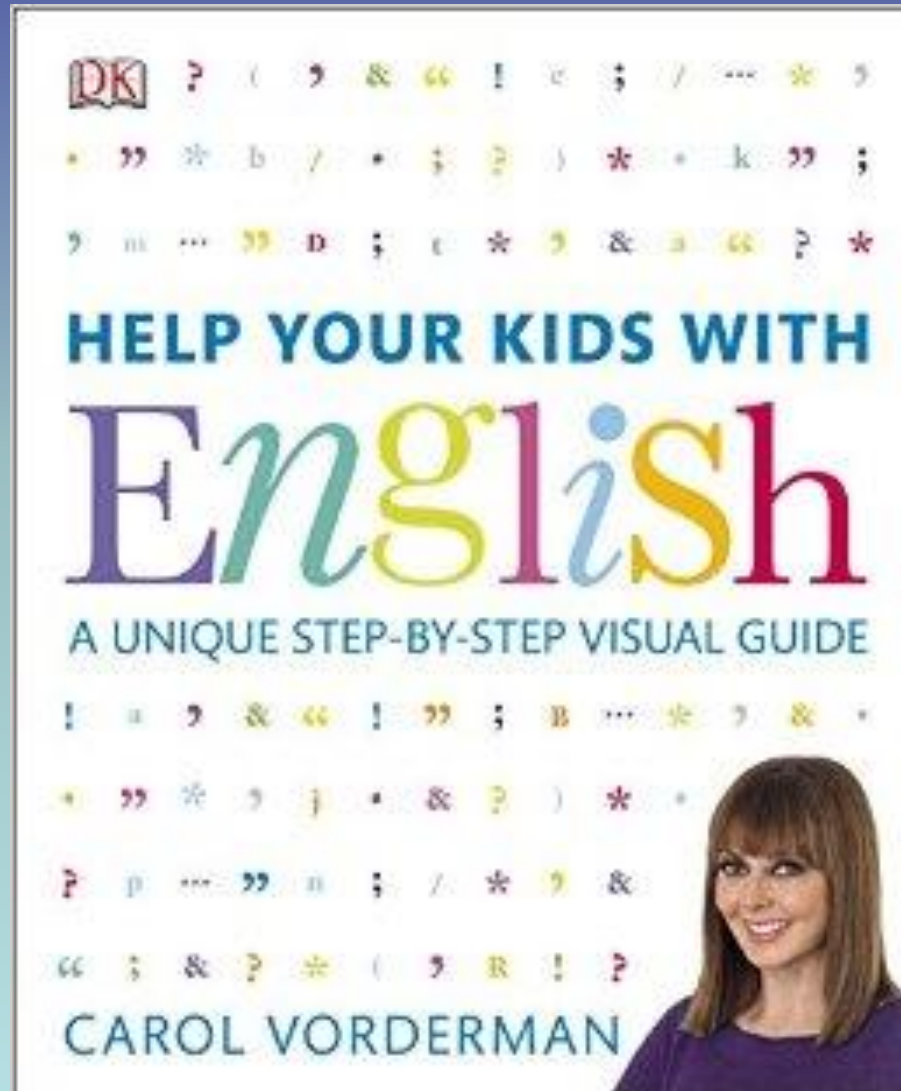

2

1 mark

Recommended book to help!

Maths

Children will sit two tests:

Paper 1 is for arithmetic. It covers calculation methods for all operations

Paper 2 covers problem solving, reasoning and mathematical fluency (apparatus cannot be used eg. 100 squares etc)

Maths

Maths Paper 1. Arithmetic

15	$3 \times 3 =$ <input type="text"/>	<input type="radio"/>
16	$12 \div 2 =$ <input type="text"/>	<input type="radio"/>

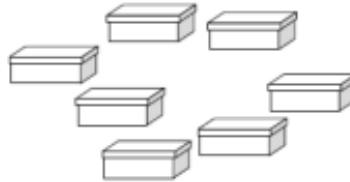

Maths

Maths Paper 2. Reasoning

7

Sita puts 2 shoes in each of these boxes.

How many shoes are there altogether?

shoes

8

Complete the table.

words	digits
thirty-eight	38
	40
ninety-four	

How to help your child

- Support and reassure your child that there is nothing to worry about and that they should always try their best
- Ensure your child has the best possible attendance at school
- Support your child with homework

Teacher Assessments

The government has set interim assessment criteria for 2017:

In Reading, Writing and Maths children will be assessed as:

- Pre-Key Stage
- Working Towards the Expected Standard
- Working at the Expected Standard
- Working at Greater Depth within the Expected Standard

Every aspect of assessment must be met for a child to achieve that standard.

In Science, children will either be assessed as 'working at the expected standard' or not.

Don't Panic!

- Whilst SATs are statutory, we will be assessing your child's progress throughout the year
- This means that the scores your child achieves in the SATs are just one part of the assessment process
- Your child's end of year results are determined by the teacher, not the tests

Any questions?

- If you have any questions, please do not hesitate to speak to us!
- During parent's evening we will focus on letting you know about your child's progress
