

Education City – Phonics and maths

We have uploaded Reception specific content onto Education City under the CLASSWORK area. We have chosen these activities to match what we have been learning in class in Phonics and maths. <https://www.educationcity.com/>

My USO

The MyUSO website is full of wonderful resources for a range of different subjects should you wish to cover other subjects in addition to Education City. <https://my.uso.im/>

Phonics and Maths

- At least 3 Phonics activities (*from Education City*)
- At least 3 maths activities (*from Education City*)

DAILY READING / PHONICS / HANDWRITING

- Read and discuss for 10 minutes every day (e-books can be found at <https://www.oxfordowl.co.uk/for-home/reading/> once you set up a free account) You could record the books your child has read in their Reading Record as usual.
- **Phonics** - Practise the Phase words your child has been learning. Remember to encourage them to spot the digraphs and trigraphs, as usual.
- Once your child can read their Phase Words, perhaps they could put two or three of them in a simple sentence.
- **Handwriting** – our letter this week is ‘y’. Please watch your child carefully to ensure that they are forming the letters correctly and are starting on the line. Please see the school website for the ‘letter formation’ rhymes and ‘letter formation’ powerpoint. We have placed these in Curriculum\Homework\Reception page. Both are helpful.

RE project - in preparation for Holy Week, write a simple Easter prayer for Jesus. It doesn't have to be long. You could write it out in your best handwriting and draw a picture to match.

Please make sure the children take the time to share a phone call with a relative/friend who may need company and someone to talk to or they could make a card for them.

If you are unable to access the internet at home, please let us know ASAP.

We will share all the stories when you return.

Thank you for your continued support.
Mrs McGill, Mrs Hambling and Mrs Stringer
