

HOMEWORK Y5

In homework diaries, you will have been provided with logins for:

Education City – English, maths and science

We have uploaded Year 5 specific content on to Education City under the MyCity area. We have chosen these activities as they reflect the areas we have covered so far in English, maths and science.

<https://www.educationcity.com/>

My USO – range of subjects

The MY USO website is full of wonderful resources for a range of different subjects should you wish to cover other subjects in addition to Education City. The children will also have access to 'Busy Things' that concentrates on other areas of the curriculum.

<https://my.uso.im/>

If you are unable to access the internet at home, please let us know ASAP.

RE

We would like the children to complete a project as part of the 'Year of the Word'. For this the children need to research their favourite and least favourite Bible character and explain why. The children will present these on their return to school.

As we are approaching Easter the children can also learn the major events of Holy Week.

Humanities

Over the course of the academic year, we have focused on the following topics:

Anglo-Saxons

Water Cycles

Biomes

Extra reading and online research is encouraged within these areas.

Year 5 daily work schedule:

At least 3 maths activities (***from above***)

At least 3 English activities (***from above***)

At least 3 Science activities (***from above***)

A focus on RE or a humanity (***from above***)

Read for 20 minutes every day (e-books can be found at <https://www.oxfordowl.co.uk/for-home/reading/> once you set up a free account)

Focus on spellings from the booklets tailored to child (***test your child weekly***)

On top of the maths activities above, the children should be learning their multiplication tables.

Many thanks for your continued support,

Miss Meldon, Mr Kennedy & Miss Mone
