Listen to Part 2:Jme - Food Track Explorer. After you have done this return to Part2: Rap Gap Fill 2 and practice rapping again. Then create your own 2 lines of rap about food. This could be about your favourite food or a food that you do not like.

When you get to the repeat 4, rap your lines about food twice instead of using the words on the screen. You need to make sure yours words follow the same rhyming structure as the words on the screen.

### **Choir**

If you are a member of the choir, don't forget to look in the choir area on Charanga. There will be new songs added that you can learn and sing along to that we may possibly perform in the future. Make sure the rehearsal and instrumentation buttons are shaded when listening to the song.
