This and last week's song are written by a reggae band Bob Marley and the Wailers from 1977. The song is about jam sessions but this is not the food you spread on bread and toast! "Jamming" refers to a band getting together to make and improvise music. You can also watch a video of the song on the website below. Join in by clapping with the pulse of the song. Can you remember which beats you should be clapping on (clue -offbeat)?

### **Choir**

If you are a member of the choir, don't forget to look in the choir area on Charanga. There will be new songs added that you can learn and sing along to that we may possibly perform in the future. Make sure the rehearsal and instrumentation buttons are shaded when listening to the song.
