This song is written by a famous British group called the Beatles who sang in the 1960s and 1970s. There were four people in the group but only two are alive today, Paul McCartney (Singer) and Ringo Starr (Drummer) The people in the video you have watched are not the actual members of the Beatles but they are wearing the same type of clothes the Beatles would have worn. What else do you notice that is the same about the people in the video? Ask your parents or grandparents if they can tell you anything about the Beatles.

If you want to warm up your voice so that you are ready to sing, click on "Vocal Warm-Ups". There are a number of activities that you can join in with. Try something different from last week.

Next, click on "Flexible Games Track - Banana Rap". You can choose "Move to the pulse" or "Find the Pulse" to dance along to.

Lastly, click on "Banana Rap: Learn to sing the song" and sing along to the song. Remember to change your voice for the different animals! Once you are happy that you can sing along to the song, try singing to the backing track. Maybe you can sing the song for your parents!
