

Reception Homework - Week 3

Dear Butterflies and Ladybirds,

Happy Easter!

We hope you are all safe and well and that you were able to celebrate Easter happily at home.

Below, you can see some activities that you may want to do as part of your home learning. We know that each family will be different and have different resources at home, so this is just a **guide**. As you can see below, tasks do not need to be very long at all – it's best not to try and do these all at once and remember learning should be fun!

Contacting us

For the summer term we will keep in contact with you on the school website and by email. Please do e-mail us on our year group e-mail address, (reception@st-edmunds.richmond.sch.uk) to show us all the super learning you have been doing - perhaps once a week.

You can also e-mail us if there is anything else you need help with.

Remember to find some time to talk to your friends or relatives to see how they are getting on – it is very important to keep in touch with everyone.

Thank you and well done for all the hard work you've been doing so far – we have loved seeing your pictures, videos and examples of your work. We are very proud of you and we are missing you lots and lots.

Mrs McGill, Mrs Hambling and Mrs Stringer
