

### **Year 3**

Login in to Charanga and go to your YUMU assignments.

Click on "Listen and Appraise" and listen to the song "Small People".

You can click on the questions button and answer some of the questions after you have listened to the song. You can also click on the "about the song" button if you want to find out more about this song.

Our previous songs have been written by Bob Marley and the Wailers. This week's song is written by his son Ziggy Marley and the Melody Makers. Ziggy Marley appeared on the children's show *Sesame Street* (ask your parents about this!) and you can watch a video of the song on the website below. Join in by clapping with the pulse of the song. Can you remember which beats you should be clapping on (clue -offbeat)?

Now click on the "Warm-up Games". Go to the Silver Challenge. Clap and sing back when you are asked to. If you have a tuned instrument then play along when asked.

Next, click on "Flexible Games Track - Three Little Birds" - Silver Challenge. You can choose "Move to the Pulse" or "Find the Pulse" to dance along to.

Lastly, click on "Three little birds: Learn to sing the song" and start learning the Final Extended Chorus to the song. Make sure you count the beats on the introduction before you start singing. Try singing the first verse and chorus together.

If you have access to a tuned instrument at home, click on "Play your Instruments" and practice along to the recorder (any woodwind instrument) or *Glockenspiel* (any keyboard instrument).

### **Extension**

For those of who wish to be challenged more and wish to learn and play along to the tune of the song, click on the Sheet Music tab and scroll down on the right until you come to your instrument. Choose either the easy, medium or melody, rehearse and play along. Or you can clap along to the untuned percussion.

### **Choir**

If you are a member of the choir, don't forget to look in the choir area on Charanga.
