

HOMEWORK Reception – Summer Week 2

Dear Ladybirds and Butterflies,

Welcome to Week 4 Home Learning!

Below, you can see your activities for this week that you may want to do as part of your home learning. Don't forget, this is just a **guide**. As you can see below, tasks do not need to be very long at all – it is best not to try and do these all at once and remember learning should be **fun!**

Contacting us

Remember to keep in contact with us by email, (reception@st-edmunds.richmond.sch.uk) to show us all the super learning you have been doing. You can also e-mail us if there is anything else you need help with.

We hope you've been able to talk to some of your friends or relatives to see how they are getting on – perhaps you've sent some post cards or pictures to cheer someone up!

Thank you and well done for all the hard work you've been doing so far – we have loved seeing your pictures, videos and examples of your work. We are very proud of you and we are missing you lots and lots.

*We'd also all like to say Congratulations to **Lucas** in Ladybird Class who has become a big brother to baby **Esme** and to **Joshua** in Butterfly Class who has become a big brother to baby **Noah**. We can't wait to meet them!*

Mrs McGill, Mrs Hambling and Mrs Stringer

News Flash!!!

We now have a very special home learning certificate which we would love to send to every child. So please log on to Education City and have a go and continue to send us photos of what you have been up to.

If you are happy for us to share some of your work on the school website – please state on your e-mail that you give us permission to do so.

E.g. 'I am happy for this work to be shared on the school website.'

We look forward to hearing from you!
