Analysis of Questionnaire:

Children spoke very positively about RE and it is clear that they enjoy the subject and see it is an academic subject.

Catholic Life of the School

Have you planned an act of worship? 90%

The children have had a very successful year planning and being involved in their own liturgies. Classes with low numbers have been on a rolling programme so have not yet had the opportunity to lead their class in worship although have in the majority planned them.

RE as an Academic Subject

Have you had regular RE homework this year? 85%

Lots of the children are completing and enjoy a range of RE homework.

2017-18 every class from Yr1 – Yr6 will complete an RE homework, at least once a term, as part of the new RE homework policy.

Children in R will have RE home work but it will be of a very practical nature.

Additional Comments from Children

R: We pray every day.

We gave money when we wore our own clothes to people who needed some help.

Y1: RE is lots of fun and we learn lots.

I enjoy learning stories from the Bible, they are so many.

Y2: We love singing hymns. Hymns are a different way of spending time with God

RE is my favourite subject.

Y3: RE is a way of learning about why we do some things.

I really enjoy leading the class collective worship. I especially enjoy planning the hymns that we are going to use.

Y4: I love starting RE with our special RE song. It helps me to remember that RE is a way of getting to know God better.

I enjoy RE lessons that involve drama.

Y5: Each class raised money for the CAFOD goat fund. This helped different people around the world.

I enjoyed learning about peace, especially quotes to inspire people.

Y6: I have helped other people in lots of different ways. We have multi-days, Lenten books, cakes sales. This all goes to helping those in

need. I have learnt lots about the Bible. This helps me understand my faith more.
