

HOMEWORK Reception – Summer Week 4

Dear Ladybirds and Butterflies,

Welcome to Week 6 Home Learning!

Below, you can see your activities for week 6's home learning all about Mini-Beasts.

Contacting us

Remember to keep in contact with us by email, (reception@st-edmunds.richmond.sch.uk) to show us all the super learning you have been doing.

If you are happy for us to share some of your work on the school website – remember to state on your e-mail that you give us permission to do so.

E.g. 'I am happy for this work to be shared on the school website.'

You can also e-mail us if there is anything else you need help with.

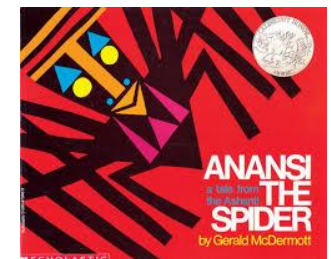

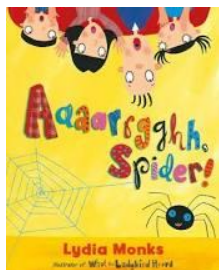

We will be calling each family in the week after the half term break – in the week beginning Monday 1st June and *may* also send some checking-in e-mails over the next few weeks.

We will let you know once we have more information about when and how we might be returning to school.

If you haven't sent us an e-mail update yet, please do so, so we can award the children a home learning certificate – we can't wait to send some more out!

Thank you and well done for all the hard work you've been doing so far – we have loved seeing your pictures, videos and examples of your work.

We are missing you so much and can't wait until we can see you all again in school.
