

### **Year 3**

You will be taking a break from Charanga for the moment and be looking at two different activities which are available on the web. You can do both or either.

First we will be looking at TeamTutti. Click on the site below:

<https://teamtutti.org/>

Click on "Start your Lesson".

For this week click on Lesson 1 only. Go through each of the three tasks and listen to the video for each task one at a time. This will explain what you need to do.

When you have finished all three tasks, go back and click on the creative challenge, quiz and videos, again working through each stage one at a time.

### **Supplementary or Extension Lesson**

For the second activity click on the site below:

Choose one of the activities from either week one, week two or week three and complete the associated task. If you are especially proud of the work that you complete, you may ask an adult to help you share your work using the BBC Uploader so that you have a chance to have your work featured on the Ten Pieces **online showcase**.

A previous school class entry can be found at:

### **Choir**

If you are a member of the choir, don't forget to look in the choir area on Charanga. Make sure the rehearsal and instrumentation buttons are shaded when listening to the song.
