

Year 5

Carrying on from the last lesson, you will be taking a break from Charanga and looking at two different activities which are available on the web. You can do both or either.

The first is TeamTutti. Click on the site below:

<https://teamtutti.org/>

Click on "Start your Lesson".

For this week click on Lesson 2 only. Go through each of the three tasks and listen to the video for each task one at a time. This will explain what you need to do.

When you have finished all three tasks, go back and click on the creative challenge, quiz and videos, again working through each stage one at a time.

Supplementary or Extension Lesson

For the second activity click on the site below:

<https://www.bbc.co.uk/teach/ten-pieces/ten-pieces-at-home/zjy3382>

Choose the activity for week four. If you prefer, you may attempt one of the previous tasks from either week one, week two or week three if you have not completed it. If you are especially proud of the work that you complete, you may ask an adult to help you share your work using the BBC Uploader so that you have a chance to have your work featured on the Ten Pieces **online showcase**.

Choir

If you are a member of the choir, don't forget to look in the choir area on Charanga. Make sure the rehearsal and instrumentation buttons are shaded when listening to the song.
