

Hello Nursery

We hope that you have had a lovely half term break and a chance to catch up and revise some of the activities from the last few weeks.

Now that some of the children are returning for two days a week and Fridays are now catch up and revision days, we will only be providing work that we can complete in class in the two days. Therefore, we will be doing 1 letter sound and 1 maths activity a week. This is an ideal opportunity to practise skills like putting jumpers, shoes and coats on and off independently, learning to zip up/button up coats ready for Reception classes in September.

We will still be available for questions and updates on our nursery email but we will no longer be adding photos to the school website of home learning. nursery@st-edmunds.richmond.sch.uk

We are looking forward to seeing you next week.

Have a lovely week.

Mrs Preston, Mrs Clarke and Mrs Nutthall

Activities for the week

Phonics/Writing/Reading

Phonic sound g <https://www.youtube.com/watch?v=P2DdC5Q6D64&safe=active>

Look for all of the sounds that we have covered in reading books, which is the most popular sound? Can you count how many of each one you can find on a page?

Practise writing your name and the sounds that we have taught so far, which ones can you do by yourself?

Maths

Revise shape names: square, oblong, hexagon, oval, circle and triangles. Have a look around the house, garden, shops, park etc to see if you can find these shapes.

Practise colouring in the shape sheets remembering to say the shape names as you colour.

Creative ideas

Cornflour painting play. Another one for the kitchen or outside: mix cornflour with a little water and food colouring...add a few washable small toys and enjoy!

Make marble maze/marble run out of toilets rolls or lego.
