

St Edmund's Suggested Weekly Plan

Date w/c 6th July

Year: Y2

Welcome to Week 13. We would like to make you aware that for the remainder of the term, **Fridays will be a revision/catch up day**. As previously, you can email us with examples of work or for any support needed on: year2@st-edmunds.richmond.sch.uk

Below is the suggested home learning schedule for this week. For the maths activities this week, we are using the White Rose maths resources. Each lesson contains a video to explain the task, an activity for the children and the corresponding answers. **Please ignore the 'week dates' as we are working to a different schedule than the website.**

RE - Reconciliation

It is important that every day we examine our conscience. Your conscience is your sense of right and wrong. There is a special Sacrament called the Sacrament of Reconciliation. In this we examine our conscience, say sorry for our sins and receive God's forgiveness. Look at the document the Sacrament of Reconciliation and discuss what happens and why we might ask for forgiveness?

Pretend you are Jesus. What do you think he would say to someone at the end of the Sacrament of Reconciliation? Write a paragraph explaining your thoughts and include an illustration of how we can be more like Jesus.

Geography

This week we are celebrating International Week. We would like you to focus on one of the continents of the world. This Year, we have made comparisons between the UK and India. Pupils may want to focus on Asia as their continent if they want to further their knowledge.

Locate your continent using google maps. Talk about what you notice about this continent.

Watch these clips to learn about Africa if you choose to do this continent. There are similar clips on YouTube for the other continents.

Well-being - Growth Mindset - Week 3: Positive attitudes

We have had lots of positive feedback from families using this resource so we would encourage those who have not yet used it to have a look at the resources provided. You can go back to week 1(emotions) or 2 (relaxation) or start with this week's focus - positive attitudes.

The way that we think impacts on the way that we feel and what we do. Being able to acknowledge our strengths and accomplishments can support us to hold a positive attitude which in turn support and can enhance self-esteem.

Tasks/activities this week include yoga, looking at accomplishments, strengths and qualities, being awesome and positive self-talk statements. Decide with your adult which ones would be helpful and which ones you wish to do, some are designed to be done daily. You might wish to use these sheets or design your own similar theme. The 3-2-1 activity is repeated again as an on-going thread each week. (All resources needed are in 'Positive attitudes Resource Pack')

Music

Please see the attached PDF file for details. All children should have their Charanaga logins at the front of their diaries. Please contact us if you need them again.
