In Year 1 we are going to be making ... Stockings and Candy Canes. You can cut the shape of a stocking out of a piece of card or paper and decorate it.</p> <p>For the candy canes we usually thread some beads onto a candy cane shaped pipe cleaner. I know that you might not have these resources available, so you can make your own version using other equipment or pop into school and collect the pipe cleaner and beads.</p> <p>You do <b>not</b> need to complete both activities today as you will have Thursday afternoon to complete them.</p>

			Remember to bring your Christmas decorations into school on Monday to show your teacher.
