

## Session 2 - Describing Halibut Jackson

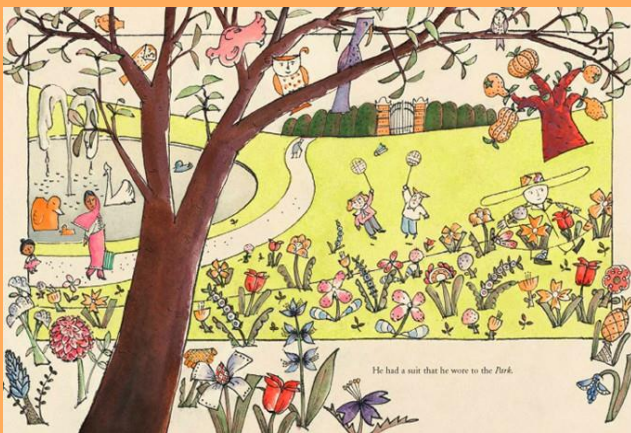

Can you think of any adjectives to describe Halibut?

Use the link in your lesson plan to listen to part of the story. H  
at the part when you hear... 'But mostly Halibut Jackson stay

- What does he like to do?
- Does he have any friends?
- Why does he want to blend in?
- Does anyone notice him?
- Does he want to be noticed?
- Where else might he go?
- What would he wear to blend in?

On paper, draw Halibut and write adjectives **in** his body about how he **FEELS** on the inside and words about his **APPEARANCE** around the outside.

- What are the people in the illustrations thinking?
- Do they notice Halibut?
- What do you think Halibut is feeling in all these situations?
