Phonics Tips					
This week's sounds are digraphs and trigraphs. Digraphs have two letters that make one sound and trigraphs have three letters that make one sound. Friday is a revision day. Always encourage your child to say the word aloud. Segmenting means to pull the sounds apart – eg. c-a-t. Blending means putting the sounds back together, eg. cat. Encourage your child to use their 'Freddie fingers' to segment and blend. A copy of the sound mats we use in class is saved in Week 1. Only complete what you can. We don't complete all these activities in 15 minutes. We dip in and out throughout the day.

Religious Education

Activity:

Our story today is called the Presentation story.

Before you begin ask your child: 'What does the word 'presentation' mean?

A presentation is a gift, a present.

If you have a Bible at home, you might want to read this story to your child. Luke chapter 2 verses 23 – 40

Watch the The Beginners Bible video: Simeon and Anna meet the Baby Jesus. <https://www.youtube.com/watch?v=L1AS8RbJPvU>

Please see the RE resource on 'the Presentation' on the website with notes for parents and the activity about Jesus, Light of the World.

Additional Activities

Build out a 'den' sheet for you and your toys. Take some of your favourite books in there.

Make a mini home/habitat for a toy animal with things that you can find inside or outside.
