Thank you to all the families who took part in the annual questionnaire. This year we received 134 responses which is down on the usual 200+, however we appreciate that in the past year you have been inundated with school surveys and we are all trying to get back to normal. This year we are delighted to be able to present the questionnaire in a pie-chart format.

My child receives appropriate homework for their age

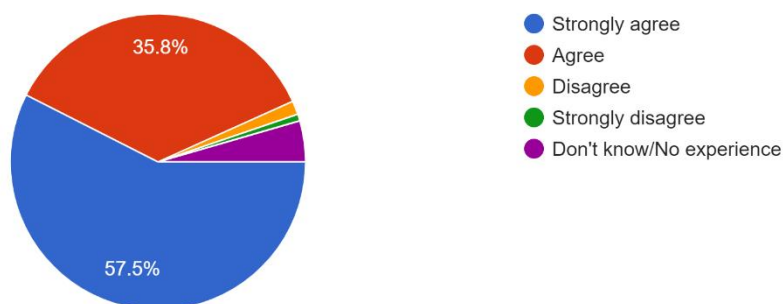

134 responses

6% of parents disagree that their children receive appropriate homework. This was from a mixture of parents with children in different year groups across the school. These views expressed either too much and/or too little homework. The aim of homework is to follow up what the children have been learning about in class but please do contact your child's class teacher if you have particular concerns that your child can't access their homework or if you would like more. The teachers will direct you to additional resources that you can use.

134 responses

8% of parents feel they do not receive enough information about their child's progress. Please take the opportunity to talk to your child's Class Teacher.

Would you recommend the school to another parent?

134 responses

The school have contacted the 3 parents who would not recommend our school to see how we could change this view.

Individual comments have been passed to children's class teachers or have been followed up by the Senior Leadership team. If you have any concerns at all please contact the school to enable us to help you and your child/ren.

Parents also made comments about clubs - not the variety of clubs on offer, rather the length of time of provision. Parents want child care until 6pm. At the moment we have no plans to further our after school on-site provision due to lack of space although are looking into what might be available for September 2022. We know this is an area that parents would like help with.

Before school provision includes...

- St Edmund's School Breakfast Club 0208 894 7898
- St Edmund's Playgroup 07934 314885
- Kerswell Kids Breakfast Club 0208 755 3014
- Frejo Kidz 07518 119924

Afterschool provision and holiday clubs include...

- Mark Fabian Holiday Soccer Session 07956 863419
- Frejo Kidz 07518 119924

Parents have also noted that we need to have more trips on offer and we agree! As the pandemic turns into an endemic we will be able to get out more. Please let us know of any venues that are good value and would support your children's learning.

Thank you for completing the parent's questionnaire – we really appreciate your feedback.

We continue to uphold the mission statement of our school, that together we *'learn and grow through worship and celebration'*.

Yours

Mrs Moreland
