

St Edmund's Catholic Primary School

'Together we learn and grow through worship and celebration'.

VISION for the SCHOOL Using the Mission Statement as the umbrella

At St Edmund's we want all our children to:

1. Be **effective communicators** who can express themselves confidently (listening, speaking, writing, presenting/performing, IT, singing, poetry, artistic, body language etc.).
2. Be **active contributors** within the community who show respect, demonstrate empathy, are tolerant of others and have a strong sense of social justice (family, local, class, national, church, international).
3. Be **aspirational independent learners** who show curiosity, are critical thinkers with the necessary dispositions/skills to enable them to achieve their goals in life (resilience, risk-takers, determined, creative, problem solvers).
4. Be **healthy in mind and body** with a zest for life (self-awareness, self-worth, motivated, spiritual, peaceful, reflective, moral compass).
